

## A Letter to Families

Here's some sample language you can use to share your experience with students' families.

Dear Families,

The Drake Women's basketball game against Lindenwood University at the Knapp Center was a wonderful experience for our class. The game gave us a chance to see character in action. We saw examples of teamwork, determination, and sportsmanship.

Here are some questions you can ask your child to learn more about their day:

- Before the game, what did you think would happen?
- What did you like best about the game? Why?
- Tell me about a time when a player showed respect?
- Do you think the players were fair? Why?
- How could you tell the crowd was caring?
- What is the Six Pillar Shuffle?
